

Continuing Pharmacy Education Activity Announcement

## Preceptor Development: Are Soft Skills the Hardest Skills of All?

| Location / Room  | City, State        | Date                   | Start time – End time |
|--|--------------------|------------------------|-----------------------|
| University of Utah College of Pharmacy, L.S. Skaggs Auditorium | Salt Lake City, UT | Thursday, May 10, 2018 | 0815-0930             |

**Faculty Information:** Frank Romanelli, PharmD, MPH, FAPhA, BCPS, AAHIVP  
 Professor and Associate Dean, Paul F. Parker Endowed Professor of Pharmacy, University of Kentucky College of Pharmacy

Dr. Romanelli is originally from Waterbury, Connecticut. He received both his Bachelor of Science and Doctor of Pharmacy degrees from the Massachusetts College of Pharmacy in Boston. He completed both a Pharmacy Practice and Critical Care residency at the University of Kentucky Medical Center where he also served as Chief Resident. Subsequently, he received a Master’s degree in Public Health from the University of Kentucky. He is currently the Paul F. Parker Endowed Professor of Pharmacy and Associate Dean at the University of Kentucky College of Pharmacy with joint appointments as Associate Professor of Medicine and Associate Professor of Physician Assistant Studies.

Dr. Romanelli has received several commendations by various groups for outstanding teaching. In 2003, he was selected by the University of Kentucky Alumni Association as a ‘Great Teacher’, this is the oldest continuous award presented by UK. In 2004, he received the American Association of Colleges of Pharmacy Innovations in Teaching Award and in 2008 the UK Provosts Award for Outstanding teaching by a Tenured Faculty member. Dr. Romanelli has also been recognized as an Outstanding Professor of the Year by both the College of Pharmacy and College of Health Sciences at UK. From student nominations, Dr. Romanelli has been recognized by the UK College of Education as a “Teacher Who Made a Difference.” In 2012, he was inducted as an honorary member of Pi Alpha, the National Physician Assistant Academic Honor Society and in 2013 he was inducted into Delta Omega, the honorary society for Public Health.

Dr. Romanelli is board certified in pharmacotherapy and recognized by the American Association of HIV Medicine as an HIV Pharmacist. In 2009, he was elected a Fellow of the American Pharmacists Association. Dr. Romanelli currently serves as Executive Associate Editor of the American Journal of Pharmaceutical Education. Additionally, he is the section editor for HIV/AIDS and Sexually Transmitted Infections for the *Annals of Pharmacotherapy*.

He maintains an active practice in the area of HIV/AIDS and his research interests include pharmacy education and pedagogy. He is currently overseeing a major curricular revision and re-engineering of the Doctor of Pharmacy degree program at the University of Kentucky.

**Target Audience:** pharmacists

There is no charge for this educational activity.

**Learning Objectives:**

- Differentiate between the definitions of "hard" and "soft" skills.
- Contrast the performance of learners with and without hard and soft skill sets.
- Formulate a rationale or rationales for deficits in soft skills among some learners.

This activity is accredited for 1.25 hours (0.125 CEUs) of CPE credit.

ACPE UAN: 0582-0000-18-031-L04-P

Accreditation for this application-based educational program is provided by Intermountain Healthcare. Intermountain Healthcare is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. To receive credit, attendees must actively participate and enter an attendance code in the CME Tracker portal (<https://cmetracker.net/IMHC>). Once logged-in, participants will confirm their profile information, enter the unique CME activity code, and complete an activity evaluation. All credit will be reported directly to CPE Monitor with 60 days of claiming CPE. Intermountain is not responsible for credit report failure as a result of incorrect NABP information. Please contact [cme@imail.org](mailto:cme@imail.org) or 801-442-3930 with questions.

**Credit must be claimed no later than: May 31, 2018**

# Claiming Credit

Please follow the directions below to claim credit for this educational activity.

1

## Sign in to CME Tracker

Go to the Intermountain CME Tracker website and click the sign-in link in the upper righthand corner.

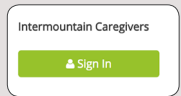

➤ <https://cmetracker.net/IMHC>

2

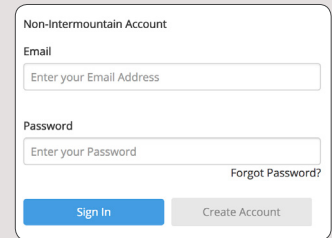

## Intermountain Login

Click the green button and sign in using your Intermountain credentials.

## Non-Intermountain Login

Click Create Account if you are not affiliated with Intermountain.
