

**Longitudinal Rotation:** University of Utah Health Care Inpatient Clinical Commitment

**Rotation Preceptors:** Shantel Mullin, PharmD, BCPS, Erin R. Fox, PharmD

**Site Description:** University Hospital

**Rotation Description:** Longitudinal rotation – inpatient staffing requirement is 4 shifts per month.

**RLS Goals**

R2.2 Identify opportunities for improvement in the organization's medication-use policies or processes.

**Activities Evaluated:**

<b>Rotation Activity</b>	<b>RLS Goal</b>	<b>Teaching Methods</b>
Identify guidelines or policies that may need updating based on experience while staffing	R2.2	Coaching Facilitation
Identify areas for process improvement.	R2.2	Coaching Facilitation
Facilitate needed changes to the correct P&T subcommittee or P&T committee	R2.2	Facilitation

**Readings and Preparatory Work:**

Complete required hospital orientation. Be familiar with all pharmacy-related automation and order-entry systems. Understand pharmacy scheduling process.

**Typical Daily/Weekly/Monthly Activities:**

Staff as a clinical pharmacist in any selected area.

**Evaluations:** Evaluations will be documented in Resitrak™. At the end of each rotation, the resident will self-evaluate, the preceptor will evaluate the resident, and the resident will evaluate both the preceptor and the learning experience.
