

PGY1 Pharmacy Residency Program Structure & Requirements

Track A General & Track B Ambulatory

2018-2019

June 25 – July 27, 2018	7/30-8/24	9/3-9/28	10/1-10/26	10/29-12/1	12/3-12/7	12/3/18-1/12/19	1/21-2/23	3/4-3/29	4/1-4/26	4/29-5/31	6/3-6/28/19
Orientation	Rotation #1	R #2+ Project	R #3	R #4	MCM, Project & CE	R #5 w/ 2 project weeks	R #6 + Project	R #7	R #8	R #9	R #10
Rotations Required for both Tracks: Ambulatory Care (minimum of 2 rotations – one Primary Care and one elective), Acute Care (minimum of 2 rotations – one Internal Medicine and one adult critical care selective), Transitions of Care selective, Drug Information (4 weeks required), and Practice Management (4 weeks required). All R.1.1 objectives must be achieved for residency (ACHR), and 85% of all objectives must be achieved for residency (27 of 31 required objectives).											
Project (Preselected weeks & days may be negotiated.)	Project selection and proposal to RAC & IRB		Complete project: data collection, analysis, written summary and PowerPoint presentation				Formal presentation & formal manuscript				
Presentations	4 recitation sessions per year at College of Pharmacy (fall/spring)		Seminar to pharmacy staff (October)		ACPE-accredited C.E. for local pharmacists (March)			Project presentation at Mountain States Conference (May)			
Resident Conference: Weekly 1-2 hour meetings on various topics such as journal club, teaching certificate topics, clinical topics, leadership, and other topics as requested by residents (PGY1 required: 2 nd & 4 th Wednesday at UHosp for teaching & leadership)											
Service Commitment: ~34 hours per month Track A (General): every 3 rd weekend hospital unit coverage plus shifts from “open” schedule to equal four ~8.5-hour shifts per month Track B (Ambulatory): Two 13-hour weekend shifts and two 4-hour closing shifts per month in an assigned community pharmacy											
Meetings			ASHP Midyear + UHC-Vizient Conferences Dec 1-6, 2018 Anaheim, CA				Mountain States Resident Conference (MSC) Salt Lake City May 9-10, 2019				
Medication Error Reviews: Residents will summarize RLs and research errors during Practice Management & clinical rotations as assigned.											
Residency Portfolio: Updated by resident weekly as an electronic, hyper-linked document in a shared computer drive											
Optional: <ul style="list-style-type: none"> • Teaching Certificate with extra training sessions, teaching requirements, & separate portfolio (strongly recommended) • Public Health Goal – volunteer for 2 activities that support the community at large (eg, health fairs, Utah Food Bank, etc.) • Ambulatory Care continuity clinic (full day clinic experience twice monthly or a panel of ambulatory patients to follow part of the year –strongly recommended for Track B.) 											

Required Experiences

- Orientation
- Drug Information
- Practice Management
- Primary Care + Am Care selective
- Internal Medicine + Adult ICU selective
- Transitions of Care selective
- Staffing – Longitudinal
- Project – Longitudinal

Ambulatory Care Rotations

- Cardiology
- Family Medicine
- Gastroenterology
- Rheumatology
- Geriatrics
- HIV
- Internal Medicine
- Neurology
- Oncology Clinics/Infusion
- Primary Care - **Required**
- Thrombosis Service

Acute Care Rotations

- Cardiology
- Hematology
- Internal Medicine - **Required**
- Neurology
- Oncology
- Pulmonary Internal Medicine
- Surgery and Trauma

Critical Care Rotation Selectives:

Required: 1 Adult ICU selective

- Burn ICU
- Cardiovascular ICU
- Hematology/Oncology ICU
- Medical ICU
- Neurosurgical ICU
- Surgical ICU

Transitions of Care Selectives:

Required: 1 Transitions of Care selective

- Cardiology Transitions
- Community Clinics Transitions
- Emergency Medicine

- Pulmonary Medicine/CF
- Solid Organ Transplant
- Thrombosis Transitions

Elective Rotations

- Bone Marrow Transplantation
- Home Infusion
- Infectious Diseases Consult
- Informatics
- Medication Safety – REQ for HSPA
- Neonatal ICU
- Supply Chain Management
- Others as negotiated with RPD & RAC

Initial requirements when completed then sign when all requirements complete.
